

Workshop for PhD and Advanced Students

**Dr Maureen
O'Connor**
University College Cork,
Ireland

December 3, 2021
2-4 pm c.t. (CET)
via Zoom

This workshop focuses on the intersection of Irish Studies and the Environmental Humanities, specifically investigating how Irish literary and cultural production contributes to a critical re-evaluation of the relationship between humanity, other-than-human beings, and their shared environments.

Please register via eh@uni-wuerzburg.de with the subject line "WORKSHOP" by November 1, 2021. The assigned readings and the Zoom link will be sent to you after registration.
