Perspectives on Sound, Voice, and (Popular) Music Studies

JMUCS II
Maria Denzlein and
Sophie Schönfeld (eds.),
WUP 2025

The second volume in the JMU CULTURAL STUDIES series has just now been published by Würzburg University Press. Edited by Maria Denzlein and Sophie Schönfeld, the book features a collection of essays by young academics and advanced students that deal with cultural practices centring on sound, voice and/or popular music.

Everybody is invited for an informal get-together to launch (and chat about) the book!

For further information and the Zoom link, please contact us at culturalstudies@uni-wuerzburg.de
